**WRAPPER, PELLICOLA SPRAY RIMOVIBILE, 400 ML**

Wrapper è una vernice spray removibile che ti permette di dipingere in modo reversibile qualsiasi oggetto o superficie. Con la sua particolare formulazione, Wrapper crea una pellicola elastica e adesiva che protegge ed impermeabilizza. Wrapper non aggredisce la superficie sottostante, che rimane inalterata, e può essere rimosso facilmente dopo ore, mesi o anni. Ideale per metalli, plastica, alluminio, carbonio, vetro, legno trattato e per tutte le superfici piane, ondulate, flessibili, lisce o ruvide. Colora e protegge la carrozzeria dell'auto, i cerchioni, gli specchietti, le mascherine e i loghi. Ideale per tutte le parti in plastica, in metallo, in vetroresina o in vetro. Studiata anche per moto, scooter, biciclette e per dare una nuova immagine a tutto ciò che volete.

**WRAPPER, REMOVABLE SPRAY FILM, 400 ML**

Wrapper is a removable spray paint that allows you to paint reversibly any object or surface. With its particular formulation, Wrapper creates an elastic and adhesive film that protects and waterproofs. Wrapper does not attack the underlying surface, which remains unaltered, and can be easily removed after hours, months or years. Ideal for metals, plastic, aluminium, carbon, glass, treated wood and for all flat, wavy, flexible, smooth or rough surfaces. Colours and protects the car body, rims, mirrors, masks and logos. Ideal for all plastic, metal, fiberglass or glass parts. Also designed for motorcycles, scooters, bicycles and to give a new image to everything you want.
